Experience

UI/UX Intern   *Nov 2022 - Jan 2023*
Sarvmatre International Pvt. Ltd.

- Assisted in conducting surveys, usability testing, and customer interviews to gather information on user needs and behaviours.
- Created wireframes, prototypes, and high-fidelity designs for the website, ensuring that the final design was user-friendly and met business requirements.
- Provided design specifications and conducted user testing, offering feedback on ways to improve the user experience.

Intern – Frontend Developer   *Sep 2021 - Nov 2021*
Simplrr Technologies

- Design and implementation of user-facing web pages and applications. This includes creating and implementing visual elements, layouts, and interactions using HTML, CSS, and JavaScript.
- Collaboration with UX/UI designers, product managers, and back-end developers to ensure a seamless user experience.
- Debugging and troubleshooting of cross-browser compatibility issues and ensuring website/application accessibility and performance optimization.
